

AIMTECH

Electric Suction Machine DFX-23B.II

Product Advantages

1. AC/DC can be used in car
2. Battery lasts for more than 2 hours
3. AC/DC switch automatically
4. Imported diaphragm pump
5. Indication for battery full charge
6. Automatically stop when the battery full charge
7. Small size and low noise
8. With an overflow protection

AKL: 21603913839

Technical Specifications

1. Negative pressure: 0.09 Mpa (660 mmHg)
2. Air pumping efficiency: 20 L/min
3. Capacity of liquid vessel: 1000 ml
4. Range of negative pressure: 0.013 Mpa ~ 0.09 Mpa (660 mmHg)
5. Power supply: AC 220V $\pm$ 10%, 50 Hz, DC 12V
6. Input Ppower: 150 VA
7. Pump structure: Oil-free self lubricated pump
8. Noise: 50 dB
8. Work mode: Intermittent load continuous operation
